

Process

Technician

OPEN POSITION

Plastikos, Inc., North America's premier supplier of precision injection molded custom electronic and medical components, is searching for an experienced Injection Mold Process Technician to join our team.

The successful candidate must be passionate about product quality, continual improvement and growth, and possess a track record of success. Candidate must possess mechanical ability and sense of accuracy in order to determine completeness prior to mold being used in molding machine. Background in fast-paced, tight-tolerance injection molding is desired. The Process Technician's prime responsibility is to coordinate all production-related activities to ensure the successful startup and completion of each order.

KEY RESPONSIBILITIES

- » Monitors production schedule and prepare for upcoming runs (i.e. tools, material changes, etc.)
- » Completes all setup, teardown, and changeover practices
- » Communicates in a team environment with other associates to ensure the highest levels of quality and efficiency are met
- » Ensures all checklists and paperwork (electronic and/or hardcopy) are complete with each new startup
- » Assists in maintaining cleanliness and organization on the Production floor
- » Performs other duties as specified by management

QUALIFICATIONS

- » Good communication and interpersonal skills.
- » Ability to work well independently, as well as in a team environment.
- » Ability to resolve practical problems and make sound judgments and decisions.
- » Ability to plan independently.
- » Represent the company's core values
- » Proficient in basic computer skills (IQMS, Microsoft Office, Outlook)
- » Ability and willingness to work during any shift or extra hours, as required.

Comprehensive compensation package includes insurance benefits, 401k, flex plan, life insurance, bonus program and off-shift premium.

A printable PDF version of our application form is available online for candidates to print, fill out and bring to Plastikos, Inc. Interested candidates can also receive and fill out an application form at Plastikos, Inc., 8165 Hawthorne Drive, Erie, PA 16509, or submit a resume to careers@plastikoserie.com.

As an EEO/Affirmative Action Employer all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, veteran or disability status.
