

Quality Inspector

OPEN POSITION

Plastikos, Inc., North America's premier supplier of precision injection molded custom electronic and medical components, is searching for a Quality Inspector to join our team.

The successful candidate must be passionate about product quality, continual improvement and growth, and possess a track record of success.

KEY RESPONSIBILITIES

- » Retrieves parts for visual inspection from assigned number of injection molding machines.
- » Completes the specified level of inspection, packaging and documentation
- » Prepares for Start-up of presses
- » Look up prints
- » Conducts Press Audits and box audits
- » Verifies Part Weights
- » Layer Packs
- » Effective defect decision making
- » Communicates with all team members as appropriate to ensure the highest levels of quality, efficiency, and safety are met.

QUALIFICATIONS

- » Previous experience in fast-paced, tight-tolerance injection molding environment
- » Possesses a strong attention to detail (i.e. very detail oriented)
- » Consistently meets deadlines
- » Capable of multi-tasking, sometimes in the midst of interruptions
- » Reads and understands blueprints
- » Ability and willingness to report to work during any of the shifts or extra hours, as required.
- » Represent the company's core values

Comprehensive compensation package includes insurance benefits, 401k, flex plan, life insurance, bonus program and off-shift premium.

A printable PDF version of our application form is available online for candidates to print, fill out and bring to Plastikos, Inc. Interested candidates can also receive and fill out an application form at Plastikos, Inc., 8165 Hawthorne Drive, Erie, PA 16509, or submit a resume to careers@plastikoserie.com.

As an EEO/Affirmative Action Employer all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, veteran or disability status.
